Halloween

Thank you to the parents who help school to make this day a great happening!

You have a disagreement with the school? A situation seems problematic to you?

What to do before contacting the principal?

1. Communicate with your child's teacher/educator via the agenda
2. Request a meeting with the teacher/educator to discuss the situation
3. Meet with Ms. Ghislaine Paiement, the school community worker, for support (514-596-4572 ext 4593)
4. After having done these steps, if the situation continues, you can TAKE AN APPOINTMENT with the principal.

What time do children arrive at school in the morning?

- **At BVM (415 rue Saint-Roch) The doors open between 7:50 and 7:57. Not before!**
So:
 - **If your child arrives before 7:50 a.m.,**
He or she must wait outside even if it is raining or snowing
He or she is under the responsibility of the parents!
- At l'Annexe (630 rue Saint-Roch), supervision in the courtyard is at 7:45 a.m.**

Special distinction

Congratulations to all the children who participated in the school's cross-country!

BVM: October 3rd

BVA: October 11th

A big thank you to the gym teachers for this organization!

Injury to the head

If your child gets hurt in the head (even slightly), the secretariat will contact you. That does not mean it's serious, rest assured. It's only prevention. Thank you!
