

Dear parents,

Here is some information.

Your child's absence on Monday, May 2

In order to facilitate the work of our secretaries, if you foresee that your child will be absent on Monday, May 2 (religious holiday), please inform his/her teacher or the secretariat of his/her pavilion, according to the usual procedure.

Evaluation periods

Children in grades 4 and 6 will have Ministry of Education exams this spring (end of May and June). Please refer to your child's teacher and agenda for exam dates.

The presence of the children during these exams is obviously mandatory, except in the case of exceptional situations. An absence without an important reason from the parents will result in a grade of "0".

Mosaic Project Passion par-ci, passion par-là

Under the supervision of artist Laurence Petit (Gogofrisette), students in the groups of Marie-Ève Chaput (207), Stéphanie Martin (208), Stéphanie Bouchard (209), Mourad Benikhlef (301), Marlène Mercier (303) and Marie-Chantal Mallette (304) created beautiful mosaics, inspired by the students' passions. They are displayed in the main hallway of the school (main building, 415 Saint-Roch St.), near the secretariat.

This project was written by teacher Marie-Chantal Mallette and vice-principal Annie Tremblay as part of the Culture in the Schools program. The students loved this experience. They were motivated throughout the project. Congratulations to all the students!

Formation of student groups for next year

This spring we will be forming next year's student groups. Even if a parent makes a formal request to have their children in the same school for family organization reasons, we cannot guarantee that this will happen.

Our priority is to form balanced groups, according to the various characteristics of the students. It is therefore possible that children from the same family study in two different pavilions.

School council

The next School Council meeting will be held on Monday, May 9 at 6:00 pm on TEAMS. If you wish to attend this meeting, please send a request to the principal's email address: brunetst@csgm.qc.ca . You will receive a link via email.

Earth Day and Cleanup

On Earth Day, April 22, the students of Barthélemy-Vimont carried out a big clean-up in the vicinity of the school.

This beautiful activity was organized by the Daycare Service, the Parent Participation Organization, Ville en Vert and the school community worker Ghislaine Paiement.

It is inspiring to see our young people taking action. Some photos are available at the following address:

Work on Saint-Roch

The work on Saint-Roch continues and this causes detours and inconveniences for pedestrians and cars. We invite parents to remind children to cross at intersections and to respect the instructions of the crossing guard and the flagmen. We would also like to remind drivers that **it is forbidden to drive on Saint-Roch towards the school in the morning and at the end of classes.**

Thank you all for your continued support.

The management team and the entire school team
